### What is Soccer Kids?

Soccer Kids is a fun filled and age appropriate soccer program for young boys and girls. Children learn soccer through play and structured activities related to soccer. There are a number of different classes from which to choose:

**Soccer Kids** – an enjoyable beginner class for boys and girls aged four and five.

**Soccer Kids2** – for 5 year olds who have completed 2 previous Soccer Kids sessions

**Soccer Skills** – a class for children in kindergarten and 1<sup>st</sup> grade designed to help develop basic skills while keeping the fun in soccer. Each week the class concludes with a scrimmage.

**Parent-Child Soccer** - a fun introductory class for 3 and 4 year olds, who participate with a parent.

**Kiddie Soccer** - a starter class for children three and a half years old who are ready to learn to play soccer without Mom or Dad.

### How does it work?

In small groups, children each have a ball and gain confidence with the soccer ball through a variety of games. The importance of fun is stressed repeatedly while children learn the basic techniques and rules involved in soccer. Dates and times are listed on the reverse side of this page.

### Leadership

The program has been designed and taught for many years by Tom McLoughlin, Head Coach at Fairleigh Dickinson University, and a national selling author and leader in the field of soccer education for preschoolers. Classes are led by Tom and the McLoughlin Soccer staff who are trained in preschool teaching techniques and are USSF and First Aid certified.
